

Schoolsolutions

find a happy way to school.

you've got cool and convenient ways to get to school. at **schoolsolutions**, we help K-12 students and families discover safe, fun, and planet-friendly ways to coordinate daily school trips.

walk.

kids and families across the country are discovering the health benefits and enjoyment that come from walking to school. we can help you start or join a walk group.

bike.

grab your helmet, get on your bike, and feel good about keeping our air clean. we can help you start or join a bike group.

bus.

did you know that students in grades 6-12 can ride LTD to school for free? if you have an eligible student, contact us to learn more.

pool.

carpooling to school with a friend is cool and fun. parents like it since it's safe, easy, and saves money on gas! let us help you find a carpool match.

what's the point?

we think it should be easy for you to choose a fun, safe, and convenient way to school. making a choice to walk, bike, bus, or pool even one day a week makes a difference for you and the planet.

check out these great benefits:

feeling fit – by getting an active start to your day

breathing free – by reducing air pollution at your school

safety in numbers – get extra social time with friends. your parents will give the thumbs up, too!

our services are easy and free.

for more information, call 541.682.6213.

get on your feet!

walk or roll to school!

join or start a walk or bike group to your school. it's safer and more fun to go to school in a group. at schoolsolutions, we help students and families connect with others who want to bike or walk to school together. call us at **541.682.6213** to get going.

carpool to school!

(Please complete one form for each student.)

schoolsolutions provides a free carpool match service to help you connect with nearby families whose students attend the same school. We'll send you a list of possible carpool partners and you choose who you want to pool with. It's easy ... just sign up!

This is how it works:

Step 1. Register – either online at point2pointsolutions.org or fill out this form and mail or fax it to point2point.

Step 2. We'll send you a list of possible carpool matches in your neighborhood.
